Contact Us (1)

A hand-drawn sketch of a mobile application interface for a contact form. The sketch is enclosed in a rounded rectangle representing a phone screen. At the top, there is a status bar with a grey background, containing icons for Wi-Fi, cellular signal, battery, and the time 8:47. Below the status bar is a large white rectangular area representing the form. Inside this area, there are four input fields stacked vertically, each with a label to its left: 'Full Name:', 'Email Address:', 'Phone No:', and 'Query:'. The 'Query:' field is significantly larger than the others. Below these fields is a 'Send' button. The entire form area is framed by a thick black border. At the very top and bottom of the phone screen, there are hand-drawn elements representing the camera and home indicator.
